On Stage will accept advertisements in final layout format as Adobe Acrobat (pdf) files. Please be aware that the file (image) may need to be enlarged or reduce in order to fit within the newsletter layout guidelines and that this may result in distortion or pixilation of the image. In addition, please avoid excess empty margins (crop) around text and figures in the layout as this will also reduce the quality of the image. If you have any questions please do not hesitate to contact us.
